ZJU-GaitAcc Database Release Agreement

The ZJU-GaitAcc database will be made available to researchers on a case-by-case basis only. To receive a copy of the database, the researcher must sign this document and thereby agree to observe the restrictions listed herein. Failure to observe the restrictions in this document will result in access being denied for the balance of the ZJU-GaitAcc database and being subject to civil damages in the case of publication of gait acceleration data that have not been approved for release, a violation of restriction 3 below. The researcher(s) agrees to the following restrictions on the database:

- 1. The database will not be further distributed, published, copied, or further disseminated in any way or form whatsoever, whether for profit or not. This includes further distributing, copying or disseminating to a facility or organization unit in the requesting university, organization, or company.
- 2. Examples of the gait acceleration data (including but not limited to visualization as images) will only appear in technical reports, technical papers, and technical documents.
- 3. All documents and papers that report on research that uses the ZJU-GaitAcc database will cite:

Yuting Zhang, Gang Pan, Kui Jia, Minlong Lu, Yueming Wang, Zhaohui Wu, "Accelerometer-based Gait Recognition by Sparse Representation of Signature Points with Clusters", *IEEE Transactions on Cybernetics*, vol. 45, no. 9, pp. 1864–1875, Sept 2015.
